

WIND FLAG

Feather-Teardrop-Blade

Instructions

1. Bag with stand.

2. Open the bag.

3. Take out the poles and Spike (Outdoor set) or Cross base & Water Bag (Indoor set).

4. Connect the poles one by one.

5. Insert the pole into the graphic sleeve.

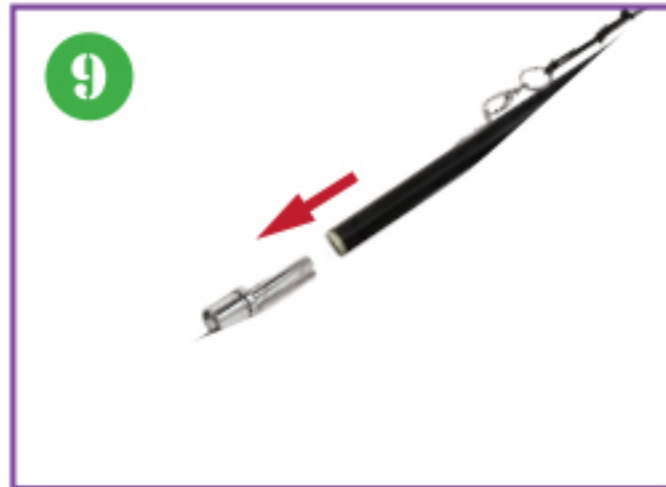

6. Gently pushing the pole all the way to the end.

7. Thread the Bungee Cord through the grommet at the bottom of sleeve.

8. Secure the Bungee with the Carabiner Clip (as shown) and connect it to the loop on base pole.

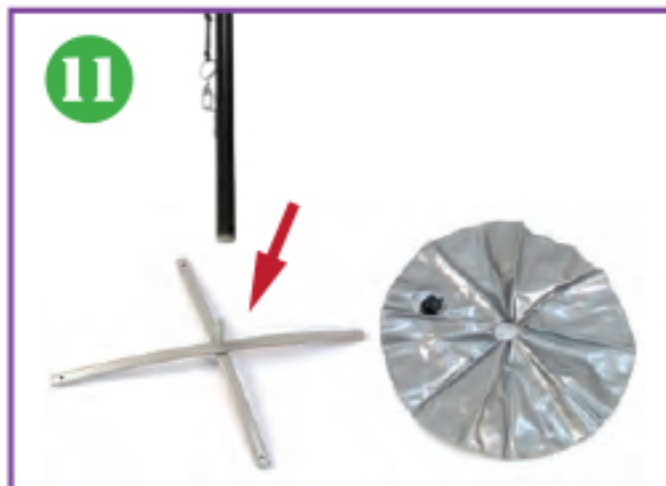

9. Insert ground spike to flag pole.

10. Completed flag ready for display on soft ground surface.

OR

11. Insert the flag pole to the X Base to complete setup. Ready for display on hard surfaces.

12. Fill waterbag and position in place, over X Base.
